## Relationship Remarks by Bob Thomas

The assassination of Charlie Kirk felt like a gut punch to me. Was this how the early church felt when Stephen was stoned and James was murdered by Herod? I think the answer is Yes. Regarding Charlie, I pretty much agree with most everything he believed – politically, morally and spiritually. Sure, there are nuances and shades but at the foundation there is solidarity.

It is the same for me with every biblical follower of Jesus Christ. Twice this week I spoke with another believer. I said, “If they put us in a sack and shook us up and pitched us out on the ground – people who looked at us would say, they are the same”. Why?

Jesus Christ is the reason we are the same. If we follow Jesus, we have ONE God. We have ONE Bible. We have ONE Truth. Even our moral code will be overwhelmingly aligned because of ONE God ONE Bible ONE Truth.

Moving forward we remember and thank God for Charlie. We worship, trust and exalt Jesus. We point people to ONE God, ONE Bible, ONE Truth. ONE Savior. ONE Plan of Salvation. We allow God to make us bold not bitter, courageous not calloused. We keep debating without dehumanizing.

Moving forward we stand up and speak up for our Lord & Savior Jesus Christ. In our focus, in our conversations we keep Charlie Kirk and Jesus Christ in their rightful place. Jesus Christ is our ONLY Savior, ONLY Lord. Charlie Kirk was and still is a fellow servant of Jesus Christ and one of many brothers in Christ. We move forward as the Spirit empowered Christ Exalting, Truth Proclaiming Church of Jesus Christ.

# Poteau River Valley FWB District Meeting, Muldrow, OK

Poteau River Valley, a FWB district, was my first official Mission Board assignment. I highlighted the need to plant & revitalize churches for the glory of God & the good of people. I chatted with individual pastors & church leaders about helping their churches find a fresh start. Forty years ago, I pastored Mineral Springs FWBC. It was & still is a church in this association. What a blessing!

We heard a good report from the Children's Home

The Teagues, Dennis & Carol, have been our friends for over 45 years. Justin – not quite that long! They serve as FWB Missionaries in France. For almost 100 years, France has been extremely "God & gospel resistant". By God's grace & power, that French mind set is starting to change. God is using the whole family to bring people to Jesus in France. When these folks are stateside, our house becomes whatever it needs to be for them.

# OK FWB Minister's Retreat

The OK Minister's Retreat was a highlight of 2025. The two preachers, conversations along with the setting, accommodations & food were all super great! Hat's off to James Coffelt & Misti Hudson for making it all work without a hitch! Next year we are looking at an October date at the same location. Much Cooler! I hope it works!

Bob with Youness Boziane, a Moroccan FWB with a strategic relationship with FWB International Missions.

Randy Wilson said, " I wake up every morning and say, 'I can't believe I am a pastor'".

Mike Wade said all the right things, even hard things, with just the right attitude.

Just look at the number of young preachers at this retreat! PTL!!!

We covered a lot of information. What a wonderful meeting it was. We even had way too much FUN!
